Forma Ideale

about us

Asortiman tapaciranog nameštaja Forma Ideale za 2025. godinu baziran je na pažljivoj selekciji materijala i dezena, a pored prikazanih modela već poznatih tržištu, dopunjen je u svim postojećim kategorijama, modelima koje odlikuju unapređen dizajn i funkcionalnost.

U proizvodnom pogonu Sofa Style u Majdanpeku angažovano je približno 200 radnika u proizvodno-skladišnim kapacitetima koji se prostiru na preko 8.000 m².

Tradicija proizvodnje tapaciranog nameštaja Sofa Style gradi se od 2007. godine, oslanjajući se na definisane planove i ciljeve u svim domenima poslovanja. To se odnosi kako na proizvodne procese, tako i na praćenje savremenih trendova, što je doprinelo da ovaj deo asortimana Forma Ideale postepeno zauzme važnu poziciju kako na domaćem, tako i na ino tržištu.

The range of upholstered furniture Forma Ideale for the year 2025 is based on a careful selection of materials and patterns, and in addition to the models already known to the market, it has been supplemented in all existing categories with models featuring improved design and functionality.

Almost 200 workers are employed in Sofa Style production plant in Majdanpek, in the production and storage facilities that cover over 8,000 m².

The tradition of producing upholstered furniture Sofa Style has been building since 2007, relying on defined plans and goals in all business domains. This applies both to the production processes and to the monitoring of modern trends, which contributed to this part of Forma Ideale range gradually occupying an important position both in the domestic and foreign markets.

Komfor koji je potreban svakom domu Comfort that every home needs

U okviru kataloga tapaciranog nameštaja Forma Ideale za 2025. godinu predstavljena je kolekcija ležajeva, čiji dizajn prati savremene trendove. Važna karakteristika ove grupe tapaciranog nameštaja je unapređena udobnost, visoka funkcionalnost, ali i dimenzionalna prilagodljivost ambijentima kako manjih, tako i većih prostornih performansi. Sve predstavljene modele odlikuje pažljiva selekcija materijala, aktuelne boje i dezeni, koji doprinose izraženoj estetici.

Izražen benefit kod svih ležajeva je mehanizam rasklapanja, kojim se proširuje upotrebna površina za namenu spavanja i odmora, kao i neizostavan praktičan prostor za odlaganja posteljine.

U katalogu tapaciranog nameštaja predstavljeno je 15 modela ležajeva. Neki modeli su već popularni na tržištu tapaciranog nameštaja, pa su svoje mesto našli i u ovogodišnjoj kolekciji.

Predstavljena su i tri nova, atraktivna, modela ležajeva koji zadovoljavaju visoke standarde kvaliteta i praktičnosti u ovoj kategoriji tapaciranog nameštaja, a to su ležajevi ALEGRO, MINA i FANTASTICO XXL.

Within the catalog of upholstered furniture Forma Ideale for the year 2025, a collection of beds whose design follows contemporary trends is presented. An important feature of this group of upholstered furniture is improved comfort, high functionality, but also dimensional adaptability to environments, of both smaller and larger spatial performance. All presented models are distinguished by a careful selection of materials, current colors and patterns, which contribute to the expressed aesthetics.

A pronounced benefit of all beds is the folding mechanism, which expands the usable surface for sleeping and resting, as well as an indispensable practical space for storing bedding.

In the catalog of upholstered furniture, 15 bed models were presented. Some models are already popular on the upholstered furniture market, so they found their place in this year's Forma Ideale collection.

Three new, attractive bed models that meet the high standards of quality and practicality in this category of upholstered furniture are also presented, and those are ALEGRO, MINA and FANTASTICO XXL.
